Welcome September!

Well here we are. It is September already, and hopefully the hottest of the hot summer days are behind us. School is back in for the children of Brevard County and Bethesda will be partnering with many of them this upcoming school year. We look forward to not only helping out our partners at Brevard County School district, but also having them join us here at our community for many upcoming events. Please watch for dates and times to be announced on upcoming calendars and flyers that may be distributed in the upcoming days. We hope you all have had a wonderful summer, and are looking forward to what Fall Brings!

Around the World

In the upcoming months we will be learning about the culture, and history many countries around the world. There will be discussions, trivia, puzzles and many more fun activities as we travel our globe. We will be ending each month with an authentic meal from each of the countries we visit. If there is a particular country that you would like to learn about please talk to Abbey or Melissa.

September Birthdays

Those born between September 1–22 are Virgo's Virgins. Virgos love paying attention to details—not to be picky, but to help others. Their industriousness makes them smart problem-solvers and fact-finders. Those born between September 23–30 balance the scales of Libra. Libras epitomize fairness and balance, often striving to minimize conflict and seek compromise. They achieve this with their charming, sincere, and lovable personalities.
